

This week, our democracy was attacked by the disappointing actions of the head of the State Government Committee, Rep. Metcalfe. In a surprise meeting, Rep. Metcalfe decided to amend HB722 (a bill to end Gerrymandering) by removing the independent committee that would have been in charge of drawing fair maps for PA. With this decision, Rep. Metcalfe shattered the bill and betrayed Pennsylvanians.

Today more than ever, it is important that we build a movement across PA of democracy advocates that can meet with our Representatives to express our needs and demand for them to do their jobs.

For this purpose we will be running a training in York that will be led by community member Katrina

When: Thursday April 26th 2018 6:00pm - 8:00pm

Where: Union Lutheran Church, [2nd floor, 408 W Market St, York, PA 17401](#). Please park in the back and come in through the door off of the parking lot.

This meeting will serve as a space to get to know and connect with other concerned citizens in your area, and to learn skills that will help us win our democracy back.

Please invite everyone you know and RSVP for this training [here](#)
