

# DEMOCRATIC PARTY OF YORK STATEMENT ON PRIMARY ELECTION

DEMOCRATIC PARTY OF YORK COUNTY · WEDNESDAY, MAY 16, 2018 21 Reads

**YORK, PA** – Democratic Party of York County Chair Chad Baker released the following statement this evening regarding the outcome of the 2018 Primary Election:

“The voters of York County and Pennsylvania made their voices clear today. Governor Tom Wolf and York native John Fetterman create a powerful ticket for the working class of Pennsylvania. From Governor Wolf’s common sense, down to basics leadership and Mayor Fetterman’s grassroots appeal, there is no doubt this is the ticket of York County for York County.

Additionally, we are excited to support Senator Bob Casey, Jr. in his re-election bid for the US Senate. Senator Casey has proven repeatedly he is a voice for the blue-collar workers of Pennsylvania and a voice of reason in a chaotic administration in Washington.

With regard to our Congressional races, we are confident that Jess King and George Scott will be strong representatives for all of York County in Washington. For too long, the voices of York County have gone unheard in Congress and finally we have two candidates who ensure everyone is will be heard and Congress will actually get something done.

The Democratic Party of York is also confident we have a strong slate of candidates to take on the entrenched incumbents in Harrisburg. With candidates running throughout the county, we know the Republican incumbents are about to be held accountable for their lack of representation and action in the state legislature.

The Republicans have had majority control in Harrisburg for 20 of the past 25 years and yet our schools are still underfunded, our infrastructure continues to crumble and there has been no movement on property tax reform. The current Republican incumbents, including Scott Wagner, have been the major obstructionist force and have continually blocked progress in the Commonwealth and for working York Countians. The time is now for York County residents to realize doing the same thing as before will not suffice. It is a time for a change; it is time for the Democratic ticket.”
